APPRENTICE CONSENT AND ACKNOWLEDGMENTS IN TERMS OF THE PROTECTION OF PERSONAL INFORMATION ACT 4 OF 2013 (POPI)

In terms of the POPI Act, a *'Responsible Party'* (in this case being the Printing Industries Federation of South Africa NPC, hereafter referred to as the *'company'*) has a legal duty to process a *'Data Subject's'* Personal Information (in this case being the Apprentices' personal information and related details) in a lawful, legitimate and responsible manner.

To discharge this duty, the company requires the Apprentices' expressed and informed permission to process his/her Personal Information.

Apprentice Consent and Permission to process personal information:

I, the undersigned Apprentice, hereby give permission to the company to process the personal information provided, and acknowledge that I understand the following purposes for which it is required and for which it will be used:

- I understand that the withholding of or failure to disclose personal information will adversely affect the companies' ability to perform its function and or to provide services for my benefit.
- Where I share personal information of individuals other than myself with the company, I hereby provide consent on their behalf to the collection, use and disclosure of their personal information in accordance with this consent provided and I warrant that I am authorised to give this consent on their behalf.
- To this end, I indemnify and hold the company harmless in respect of any claims by any other person on whose behalf I have consented, against the company should they claim that I was not so authorised.
- I understand that in terms of the POPI Act, and other laws of the country, there are instances where my expressed consent is not necessary in order to permit the processing of personal information, which may be related to police investigations, litigation or when personal information is publicly available.
- I will not hold the company responsible for any improper or unauthorised use of personal information that is beyond its reasonable control.
