

## **Printing SA KZN Chamber Golf Day**

On 19 October 2021, Printing SA's KZN Chamber held its 19th Annual Golf Day at the picturesque Kloof Country Club.

Amidst hard-hitting economic times and innate challenges faced by the industry, 60 appreciative golfers took to the greens, together with 12 sponsors. Members expressed their delight in being able to get out again and enjoy a social setting, a much-needed change to the incubation imposed by the COVID-19 pandemic. The intrinsic nature of the event provided an opportunity for members to engage and interact with each other whilst crossing paths along the course, creating a rich platform for networking, collaboration, and business opportunities.

After a long day of ebbs and flows on the course, members rallied together at the dining hall, where various prizes were handed out to golfers on their notable achievements throughout the day. The clapping of hands and chuckles around the room exuded a delightful comradery that the Printing and Packaging industry so well boasts. The golfers ended off the evening with a sumptuous meal prepared by the Kloof Country Club and further used the opportunity to interact with fellow members of the industry over a drink or two.

Printing SA extends its gratitude to all sponsors: Shave & Gibson, Knox Print, Mondi, DBC Packaging, Busch Vacuum, Proprint, Gerber Paper, Hitech Graphics, Keyline Design School, Synchron, Egil Packaging, and Kemtek Imaging Solutions; as well as Printing SA staff that were instrumental in making the day a success. We look forward to hosting members again at the 2022 Annual Golf Day.
