

## THE STORY OF RAPID PRINT & Rob Hammond

Rapid Print turned 2 years old on the 1<sup>st</sup> October 2022.

In 2019/2020 things took a dramatic change with the covid pandemic and businesses closing down every day, Rob had to think quick and decided to open up his own printing company in Polokwane. After 18 years in the town, it was somewhat of an easy decision to set up shop in Polokwane and make it happen, rather than leave and face an even greater uncertain future in a new town. Because of our amazing and exceptional client base from our previous employer (who had decided to close up shop and leave town), we knew we would have the continued support going forward.

As the saying goes, it's not about the company, it is about the Person! Between myself and Rob, we knew we could make this happen. Extremely fearful but faithful, and after much prayer, the process started of registering our company. As we had no premises, and Covid sure did not make matters any easier, we decided to open our offices at our home, converting much of our house into offices and the planning began, and Rapid Print was born.

Machines were moved, new relationships were formed, and partnerships were put in place.

We were extremely blessed to have so many of our clients support us, and we have the most amazing suppliers who never hesitated to jump right in and give us the support we needed.

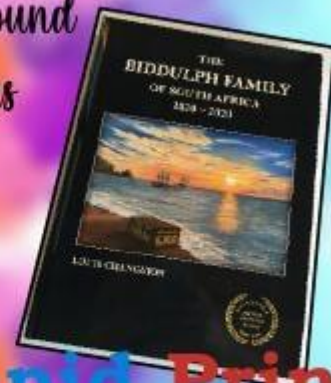

Long hours and hard work have paid off. We can honestly say this has been one of the most exciting challenges we have had, and amid all the restrictions - we have made it. Two years down and we continue to smile, stay faithful and are truly excited for what the future holds. We have acquired new machinery thus expanding our little business to new heights.

We have been honoured to have been commissioned to print the PHS 100 year centenary books, as well as the Biddulph family history book and The Ranch Resorts 60<sup>th</sup> Anniversary coffee table book. For 2023, we are blessed to be commissioned to print the Stanford Lake College's 25<sup>th</sup> Anniversary Book and Oos skool's 50<sup>th</sup> Anniversary Coffee Table books.

Honestly, with Rob at the helm, we can only be successful!  
Our philosophy of Giving, caring and honesty has paid off 10fold. At Rapid Print the client becomes a friend that becomes family... and we would not have it any other way...
