

CAPE CHAMBER ANNUAL

# Gala

DINNER  
2023

## Sponsorship Proposal

It's been 3 years since Printing SA hosted our prestigious Annual Gala Dinner and Awards event, which has been known to draw members from across the country to come together and celebrate the resilience of the sector and its significance in its contribution to our country, whilst recognising our Top Achievers from our TT3 students.

Celebrating those of us that have truly excelled in their businesses by adding value, not only to your companies, but your communities and the industry at large and honouring those that have been recognised as industry stalwarts who have made immense contributions to the industry in the awarding of the coveted Gutenberg Award.

Partnering with Printing SA as a sponsor is a sure-fire way of ensuring that you are once again recognised as a true champion and advocate for the printing, packaging, signage and visual communications sector.
