Signage & Visual Communication

Following the success of our previous golf days, we are pleased to announce that our **19th Annual Golf Day** will be held on **Tuesday the 19th October 2021**.

The day is intended to provide a relaxing, well deserved break for Member Companies who have worked extremely hard in their businesses. We ask you to please support the Chamber and our industry by entering a fourball.

We also encourage our Associate Members and Suppliers to sponsor the various holes which we request to be manned and decorated. We are sure that it will prove a valuable day for our suppliers with our industry's decision makers stopping at their holes or tee-boxes. We are hoping that the sponsors will enter into the spirit of the day and run their own fun events on their holes like shortest drive etc. A trophy will be awarded to the best decorated sponsored hole and a prize will be awarded to the best dressed 4 ball.

We will retain the prize giving format we have used for the past few golf day's, and only provide prizes to the top twenty teams. We will also be awarding prizes for the straightest drive and nearest to the pin on all the short holes.

Should you not be able to enter a four ball or sponsor a hole it would be greatly appreciated if you could make a contribution of a prize (2 of the same please as the prizes are per team).

Enclosed herewith is an application form which should be completed and emailed to the Chamber: lradebe@printingsa.org. All entries and sponsors will be invoiced, and payments for the Golf Day should be made directly to **PRINTING SA KZN's account** at **First National Bank, Beach Branch, bank code 220126, account number 50881387367**. Please note that we will not be able to confirm tee off times or sponsored holes until payment has been received and, as there is a limited field, we can only allocate tee off times on a first come first served basis.

Due to Covid-19, and the subsequent restrictions imposed by the adjusted lockdown levels in respect to indoor sittings, there will be no meals served at the end of the golf day. The committee has decided that in the best interest of the health and safety of all patrons in attendance, as well as compliance with the law, this is the safest approach. We hope that this does not cause too much of an inconvenience for you. However, all patrons in attendance may be able to purchase meals throughout the day from the clubhouse.
